Term 1 Week 5

2017 Noosa District Swimming Carnival

Congratulations to all our swimmers who competed at the 2017 Noosa District Swimming Carnival at the Noosa Aquatic Centre last Tuesday. There were over 200 competitors from 14 different schools across the Noosa District. It was a busy day and I know that staff and parents alike were impressed with the manner our Noosaville students conducted themselves in and out of the water. Our students swam their hearts out and then still found the energy to support and cheer each other while spectating – well done team!

I was extremely proud of every swimmer on our team and am really enjoying seeing many more of our families involving their children in swim squads. Commitment to these sessions pays dividends at carnivals like the one we attended on Tuesday, so big thanks to the families getting behind this sport.

Two of our swimmers, Darcy Johns (11 Years Girls), Kaleb Hart (12 Years Boys), and have been rewarded for all their hard work at training and have been selected in the Noosa District Team. They also placed highly in the overall points tally in their respective age groups by the conclusion of the carnival: Darcy 2nd and Kaleb 3rd

........well done to both students. They also set new District Swimming records as well this year as well. Darcy in the 100m Butterfly which she beat by 2 seconds and Kaleb in the 12 Year Boys 100m Butterfly by 0.03 seconds. They would have slept very soundly last Tuesday night! Huge congratulations to our Noosa District Representatives and we wish them well at the Regional Championship at Caboolture in early March.

Special thanks to Mr Clarke – Team manager and our time keeper parents, Scott, Verity, Nadia, Dave, Kristy, Kirsten and Tori for your efforts throughout the day.....it was really appreciated. My apologies if I have missed any one. Thank you also to the parents who were able to come along and support our team. Your presence helped keep our swimmers grounded and ready to race – thank you.

2017 Term 1 Noosa District Trials

Term One is traditionally a busy time for students to participate in representative trials held after school for selection in Noosa District Sports Teams. The Noosa District Teams go on to compete in Sunshine Coast Regional Trials and then students selected in these teams compete at Queensland Championships.

If your child is a club player or has any experience in any of the sports listed below, please makes sure you respond to the Noosa District Trials email sent this week.

All students attending Noosa District Trials must register with me first. They will not be allowed to participate at a trial without prior registration. For the majority of the trials, schools are only able to nominate 5 players. Trials will have to be held at school to decide on the final five, if more than five register their interest with me.

Listed below are the Term 1 Noosa District Trials still yet to take place. Please also note that the trials are for students born 2005, 2006 and 2007 (Turning 10, 11 or 12 Years in 2017). Some sports also restrict the participants to 11 and 12 Year olds. More information will be sent with individual students keen to participate.
